

New Hampshire Public Utilities Commission  
**Corporate Organizational Changes including Transfers of Control**  
of Telecommunications Carriers  
**Applies to CLECs and CTPs**  
**See RSA 374:22-o**

TRANSACTION	CARRIER ACTION REQUIRED	COMMISSION RESPONSE
<p>Corporate organizational changes, including the sale, lease, or other transfer of assets including customer base of CLECs and small CTPs do not require Commission approval. Customer notification rules Puc 1304.03 and/or Puc 411.04(a)(2) must be observed.</p> <p>Large CTPs must also observe the requirements of Puc 411.04(a)(1).</p> <p><b>Note:</b> A small CTP is one that earned less than 10% of total N.H. intrastate revenue.</p>	<p>Notify Commission of proposed action including dates and the details of customer notification that must be provided to customers at least 14 days in advance of the transaction. Include copy of customer notice with filing.</p> <p>Request withdrawal of transferred company's certification as a CLEC (See Puc 1304.03(c) or a CTP (See 411.05) if appropriate.</p> <p>Refund any amounts due to customers within 30 days of transaction.</p> <p>Hold or obtain Commission certification as CLEC or CTP. See Puc 1304.01 &amp; .02 and/or Puc 411.02 respectively.</p> <p>File new rate sheet or tariff.</p>	<p>Commission evaluates customer notification and acknowledges transaction or, in the case of large CTPs, considers merits of transfer.</p> <p>Commission evaluates request for withdrawal and/or cessation of service.</p>
